# Golf Roller Bag

SIZE: 140

## PERFORMANCE CHARACTERISTICS

The newly designed Naish Golf Roller Bag takes advantage of the airlines' policy to carry golf equipment for free. This bag will not only protect and carry your kite equipment, but will also save you a lot of money while traveling. Its 2 main compartments will fit up to 2 boards and 4 kites, including bars.

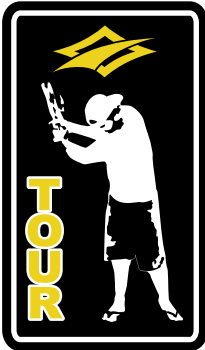

- Designed for the serious and clever traveller
- Easy to carry and roll with its various handle options and urethane wheels
- Great new look and Naish quality

## WHAT'S NEW IN DESIGN

- Golf style design and features
- Split 2 compartment design with additional top access
- Conical shape to allow the bag to stand on the bottom end

## SPECIAL FEATURES

- Drag resistance protection at nose and tail
  - Various zip protecting tie down straps
  - Internal cinch straps to arrange your boards in the bottom compartment
    - Mesh separation
  - Outside bar compartment with mesh water release
  - Exterior name pouch
  - High quality urethane wheels
- Bungee cord to keep your toolbag within reach
