The all new Redline is our dedicated race/slalom sail for real world sailors. A direct descendant of the world speed record breaking Stealth, the design features a moderate sleeve width, 2 cams (3 in the larger sizes), and 7 battens for uncompromised performance combined with easy rigging and handling. A cool new camber inducer (SNAPCAM™) adds power and top end control while making rigging a snap, and the racing pedigree guarantees heart-stopping acceleration and blistering speed.
